TEACHER INFO SHEET

Thank you for participating in the CTV Toy Mountain School Toy Drive Program!

We are grateful for the support of you and your students in helping CTV and The Salvation Army build the biggest toy mountain for children in need within your community. To inspire and excite your students for the School Toy Drive Program, we have included the following resources:

Student Surprises

Each school will receive fun CTV Toy Mountain branded items to get the students excited for the School Toy Drive Program, including:

- Colour changing pencils
- Stickers for water bottles or Chromebooks
- Croc Jibbits of The Salvation Army's mascot, Shieldy

Tracking Chart Poster

Each school participating will enjoy the shared experience of:

- A tracking chart with fillable goals for your school to display near the office or where the toys will be collected. There will be numerous goal markers along the tracking chart that you can identify and write in the legend.

Digital Resources

In addition to the physical items in the box, there are some great digital resources available for you to use in support of the School Toy Drive Program including:

- Parent info sheet
- Curriculum based teacher worksheets
- Bulletin board ideas
- Reading suggestions
- Kindness Climb activity sheet

CTV Recording from School

Select schools in your region will also be chosen to take part in a special CTV News broadcast during the campaign. CTV and The Salvation Army will visit selected schools for an exciting segment that highlights the incredible Toy Mountain students have built and the impact they've made in their community.

Questions?

If you have any questions about the items in the student activity box, about the School Toy Drive Program or about CTV Toy Mountain in support of The Salvation Army, please contact on.pr@salvationarmy.ca
