## Operation: Building Hope joins forces with Bill Black

The Salvation Army is pleased to announce Bill Black as campaign chair of Operation: Building Hope, an ambitious program to raise a minimum of three million dollars to repair our vital infrastructure.

Bill Black is a leading member of the community, combining a successful business career with a strong commitment to community service and to his family.

Working for Maritime Life, Bill rose to become President and CEO from 1995-2004. However, Bill's leadership goes well beyond the business community, including service with numerous corporate boards and charitable organizations.
