RE: COVID-19 OUTBREAK AT SUNSET LODGE

August 30, 2021

Island Health's outbreak response has identified two additional cases of COVID-19 related to the outbreak declared at Sunset Lodge long-term care home on August 27.

As of Aug 30th, two additional staff people have tested positive. The new cases were detected through testing performed Aug 29th.

In total, 11 staff and 13 residents have tested positive for COVID-19. Most of the cases are isolated to the third floor of the building. At this time, most residents are not experiencing symptoms and positive staff are isolating at home.

Communication with residents, families and staff is ongoing and we will continue to update this webpage with information.

The health and safety of our staff and residents is our number one priority and we are cooperating with Vancouver Island Health Authority (VIHA) and are proactively following all recommended measures.

The following steps are underway as part of our response to the outbreak:

- Admissions, transfers and social visits will be on hold while the outbreak is in effect;
- Social visitors will be restricted but essential visits may occur;
- Resident and staff movement is limited;
- Staffing levels will be maintained to provide resident care;
- Mask use and eye protection is required for all staff;
- Enhanced cleaning and infection control measures continue;
- Residents, families and staff are being notified;
- Twice a day screening of all staff and residents continues;
- COVID-19 testing will be done for staff and symptomatic residents.

During this time, Island Health will have additional presence at the site to take any further actions required, support the facility and answer questions from staff, residents, and family members.

If you have questions and or comments, please leave them in the space provided and our staff will respond. For more information about COVID-19, please visit: www.islandhealth.ca/covid19.

Currently, we are deferring all media questions to Vancouver Island Health Authority's media team.

We are committed to the health and safety of our staff and residents and we would like to thank you for your patience and understanding as we work through this situation.

Suzanne Sadler
Executive Director
Victoria Sunset Lodge
