

MEASURABLE OUTCOMES

Spiritual Health

- Appoint or hire a Divisional Secretary for Spiritual Life Development in each division and appoint or hire a spiritual leader in every ministry unit (corps and social service) by 2017
- Examine the spiritual health of all leaders (spiritual health survey) and make provision for each to participate in spiritual direction or spiritual mentorship by 2017

Leadership Development

- Implement a Leadership Development Strategy by March 2017 to be used to correctly identify, track and develop officers/employees to successfully lead the ongoing mission of The Salvation Army

Social Justice

- Create an established and accessible network of social justice resources and research across the territory by 2020
- Utilize the Seven Principles for Salvation Army Emergency Shelters in all emergency shelters by 2017

Integrated Mission

- 75% of ministry units with a community expression by 2020

Children and Youth

- 20% increase in the number of children and youth connecting to ministry units through camping by 2020
- Programs in every corps that foster the spiritual development of children and youth

The Gospel and Transformation

- Regional evangelism training active by 2020
- Preaching resource created that supports a solid telling of the Gospel in 21st Century language by 2020

Discipleship

- To see junior and senior soldiers regularly being enrolled in all corps, aiming to have an increase in total percentage by 10% by 2020
- To raise awareness and understanding of the Territorial Youth Department's "Equalizer" tool and have it utilized as a discipleship framework in all ministry units by 2017
