August 21, 2020

Dear Mr. Millar,

It is a pleasure to confirm support of the Salvation Army Kettle Drive again for the 2020 season running from November 15th – December 24th.

This letter services to confirm that Loblaws Companies is pleased to provide permission to the Salvation Army planned staffed kettles in the Loblaws Corporate Conventional stores in Ontario throughout the campaign.

If I could ask for cooperation in working with our Store Managers directly at each location regarding timing and locations of the kettles, it would be greatly appreciated.

I would like to personally wish you every success with your 2020 fundraising efforts. If you have any questions or concerns, please feel free to contact me directly.

Sincerely,

Mike Melo

Vice President, Operations
